Dear The Episcopal Community,

On behalf of the children we serve, we thank you for your support of Realities For Children Charities. Please let this letter serve as your receipt for tax purposes.

Realities For Children Charities is a 501(c)3 charitable organization dedicated to serving the unmet needs of children in Larimer County, who have faced abuse, neglect or are at-risk.

Thanks to more than 250 local Business Members, which underwrite the administration of all programs and services, 100% of your donation will directly benefit Northern Colorado children in need. Together in service with 38 local Partner Agencies, Realities For Children Charities has a network of providers countywide that allows us to be certain no child is forgotten when emergency services are needed, and that services can be provided directly to the most vulnerable members of our community when it is needed most.

We value your donation and are honored that you have chosen to support the children we serve. As a donor, we are proud to recognize you as part of the Realities For Children family. If you would like to keep up with our work and the children you are helping us provide for, please follow us on Facebook ([www.facebook.com/realitiesforchildren](http://www.facebook.com/realitiesforchildren)).

We thank you for supporting our mission and helping to fortify a valuable safety net of services and resources when these children would otherwise have nowhere else to turn.

Because no child should be forgotten.  
Sincerely,

  
Craig A. Secher  
President, Realities For Children Charities
